About me

I'm finishing 2021 with two great accomplishments: having my graduation film being screened at "Tel Aviv Museum Of Art", and selling said film to a streaming company.

Since graduating in 2019, I have worked at 2 major studios, thought animation, and made an independent film in my spare time. I'm still currently working at a studio, but I'm independent enough to take new and exciting projects.

Professional Experience

Animator, "Poink animation" studio 

05/2021 – present | Tel Aviv, Israel

Currently, I am working at "Poink" studio. it's a smaller studio than my previous studio "Igloo", yet it put more focus on design and animation quality. My current project is a 2 minute commercial I am animating with a team for the past month for a pet insurance company.

Animator, story artist and director, freelance

01/2013 – present

For nearly a decade I have been working freelance through my studies and my work in studios. Among my freelance clients are Google, Channel 13's, and famous Israeli singers such as Megi, Static, Ben El, and Omer Adam.

Animator and story artist, "Igloo creative" studio 

01/2020 – 05/2021 | Tel Aviv, Israel

One of the biggest animation studios in Israel. I've worked as a 2D animator for clients such as "Shufersal" supermarket chain and the ministry of health

Teacher for basic animation, Prog college

I have been an animation teacher for Jewish Orthodox communities online. it was challenging, but it was also very rewarding and fascinating.

Education

BFA, Sapir Academic College 

09/2014 – 05/2019 | Sderot, Israel

I have studied cinema and animation. My graduation will be screened at "Tel Aviv Museum Of Art", it was bought for a streaming company. the film was screened in 5 film festivals and won the best script award in one of them.

Projects

Ea'eb

09/2019 – 05/2021

My first independent film, which I created and directed with a small team and some help from a fund.

It tells the story of my father's struggle to adapt to Israel as a son of Syrian immigrants. Currently, the film is being sent to festivals worldwide and has been accepted to 3.

Skills

Hand drawn animation

Toon Boom harmony, Adobe Animate, Photoshop and Illustrator

Cut out animation

After effects, Toon Boom Harmony

Producer

Time management, pitching ideas and working with a budget

Team player

working with a team, listening to my colleagues and helping them wherever I can
